

## Tower Habitats Calendar of Events

This is a list of wildlife-related events in Tower Hamlets. All are freely open to the public, no need to book, unless otherwise stated. Many of them are regular weekly or monthly events. To help pick them out, the more “special” events are in boxes.

New events are being arranged all the time, and many Tower Habitats partners also run events on their sites which are not wildlife-related. Click on the links to find out about all the events at [Victoria Park](#), [Mile End Park](#), [Tower Hamlets Cemetery Park](#), [Spitalfields City Farm](#), [Mudchute Park & Farm](#), and [Stepney City Farm](#), and events organised by [Thames21](#).

Thursday 14 December 2017, 10am-3.30pm, Regent’s Canal

#### **Meadow works at Ben Johnson Lock**

Join the Lower Regents Coalition to erect a fence around our wildflower meadow at Ben Jonson Lock. The tow-path side is doing very well, but the offside has had too much footfall and all the plugs and seeds have not been given a chance. The only way forward is to erect a small fence to keep people off the meadow. You can come for a few hours or the whole day or both days. The main day will be the Thursday, we may get it all done in one day, we may not. If we finish the fence there are always lots of other jobs to do around the meadows. All you need to bring is yourself and some old clothes, we will provide all kit including safety boots, gloves, gardening tools etc. We will provide a light lunch and snacks, tea + coffee. It’s free to take part but please register by [e-mailing the Lower Regents Coalition](#), letting them know which day suits you, or maybe you can do both. Meet at the Ragged School Museum.
