

Tower Habitats Calendar of Events

This is a list of wildlife-related events in Tower Hamlets. All are freely open to the public, no need to book, unless otherwise stated. Many of them are regular weekly or monthly events. To help pick them out, the more “special” events are in boxes.

New events are being arranged all the time, and many Tower Habitats partners also run events on their sites which are not wildlife-related. Click on the links to find out about all the events at [Victoria Park](#), [Mile End Park](#), [Tower Hamlets Cemetery Park](#), [Spitalfields City Farm](#), [Mudchute Park & Farm](#), and [Stepney City Farm](#), and events organised by [Thames21](#).

Talking with Nature – Mindfulness Workshop

Many cultures around the world believe that all of nature is alive. Be that plants, the wind, rock or river - all have consciousness not just people and animals. Come and explore this possibility for yourself in the company of other curious humans! What can we learn from human to human communication that can help us deepen our relationship with non-human nature? We'll find out and then, warmed by our campfire, we'll set off to start our own conversation across the species divide - perhaps drawn into dialogue with a moss-drenched oak, a gentle breeze or a forgotten burrow...
