

Tower Habitats Calendar of Events

This is a list of wildlife-related events in Tower Hamlets. All are freely open to the public, no need to book, unless otherwise stated. Many of them are regular weekly or monthly events. To help pick them out, the more “special” events are in boxes.

New events are being arranged all the time, and many Tower Habitats partners also run events on their sites which are not wildlife-related. Click on the links to find out about all the events at [Victoria Park](#), [Mile End Park](#), [Tower Hamlets Cemetery Park](#), [Spitalfields City Farm](#), [Mudchute Park & Farm](#), and [Stepney City Farm](#), and events organised by [Thames21](#).

Really Get to Know Your Wild Plants Through the Seasons – Daisy Family

One of a series of days held once a month, looking at wild plants, including trees and shrubs. Each event stands alone, but also builds on previous ones. Suitable for beginners, and more experienced participants will be given extra challenges. Each time, as well as looking at a wide range of plants, we will give special attention to one major family. This month: Daisy Family – Asteraceae. Event Leader Terry Lyle is a botanist who has over 20 years' experience of environmental education in Tower Hamlets. **The event costs £30 (£25 concessions including Tower Hamlets residents) and booking is essential.** To book visit [the Eventbrite website](#).

Tuesday 19 December 2017, 10am-4pm, Tower Hamlets Cemetery Park

Weekly drop-in Volunteer Day

The Park needs constant care and every Tuesday volunteers are welcome to drop in for all or part of the day to help us carry out important tasks. THCP is a great place to get involved in helping care for the wildlife and plant life of the park. Before your first visit please phone Ken on 07904 186981 to ensure the day is going ahead.
