

Tower Habitats Calendar of Events

This is a list of wildlife-related events in Tower Hamlets. All are freely open to the public, no need to book, unless otherwise stated. Many of them are regular weekly or monthly events. To help pick them out, the more “special” events are in boxes.

New events are being arranged all the time, and many Tower Habitats partners also run events on their sites which are not wildlife-related. Click on the links to find out about all the events at [Victoria Park](#), [Mile End Park](#), [Tower Hamlets Cemetery Park](#), [Spitalfields City Farm](#), [Mudchute Park & Farm](#), and [Stepney City Farm](#), and events organised by [Thames21](#).

Wild Food Wild Skills: Foraging & Fire

A morning exploring the edible delights of one of East London's most interesting wild areas, followed by an introductory bushcraft lesson looking at one of the basic essentials of survival, in this case Fire. The event will be led by Forage London teacher and qualified bushcraft instructor, James Grant, and will last for about 4 hours, involving safely picking and eating various leaves, berries etc as we go along with various new foods and drinks to try (made from different wild ingredients we've previously picked, cooked, fermented, pickled etc), learning to identify plenty of edible plants and discussion touching on numerous topics including, nutrition, medicine, herbalism, botany, cookery, horticulture and history. Being able to make fire reliably in the outdoors is vital for the outdoor enthusiast and having the versatility to utilise natural resources to do so is an empowering skill. For warmth, cooking and even social occasions foragers need fire. For the last hour of this extended walk you will learn to make fire with sparks and natural tinders. You will also learn how to create an effective fire lay, choose the correct woods for different types of fire, site and extinguish a fire safely and leave no trace. **The event costs £50 and advance booking is essential.** Please [book via the Forage London website](#).

Really Get to Know Your Wildflowers

A series of ten monthly one-day courses for people who'd like to develop a deeper understanding and appreciation of wildflowers. The course can't do that comprehensively, but will give participants the ability to develop further understanding independently. The events can be attended as one-off day-long courses, or as a mix and match series to form a longer course. As the seasons change, so will the flowers; every month will be quite different. Event Leader Terry Lyle is a botanist who has over 20 years' experience of environmental education in Tower Hamlets. **The event costs £30 (£25 concessions including Tower Hamlets residents) and booking is essential.** To book visit [the Eventbrite website](#). Meet at the Soanes Centre.

Tuesday 27 October 2020, 9.30am-4pm, Tower Hamlets Cemetery Park

Weekly drop-in Conservation Volunteering

The Park needs constant care and every Tuesday volunteers are welcome to drop in for all or part of the day, to help us carry out important tasks. Tower Hamlets Cemetery Park is a great place to get involved in helping us care for the wildlife of the park. Tea, coffee, all tools and equipment are supplied. Please wear clothes which you don't mind getting dirty (trousers, no shorts or leggings!), sturdy shoes (no heels or slip-ons), and bring a packed lunch. If you are coming to volunteer for the first time, please [contact us](#), so we know to expect you.
