

Sites of Importance for Nature Conservation in Tower Hamlets

These are sites which are important to wildlife, and as places for people to experience nature. They are protected under policies in the Council's Local Plan. Changes proposed following a review in 2016, which will be formally implemented when the new Tower Hamlets Local Plan is adopted, are indicated in red.

Details of the importance of each site can be downloaded at

www.towerhamlets.gov.uk/Documents/Environmental-protection/SINCCitationsJanuary2019.pdf
