

Spider list for Tower Hamlets Cemetery Park

to 27/2/2020

Recorded by J Edward Milner

157 species plus one parasite, 4 new species in 2019, two 2018 additions in bold

Columns are as follows:

National status – comm(on), Loc(al), N(otable) a or b, RDB (Red Data Book) or Nat(uralised non-native)
S/an (associated with human habitation)

Scientific name

Date of first record

Numbers of males, females, total (first record)

Reference number for first record

Trapping method

Spider parasite:

Polysphincta tuberosa 23/04/2007 0 0 0 013514 sweep
